

BRADFORD ORNITHOLOGICAL GROUP MEMBERSHIP APPLICATION FORM

Bradford Ornithological Group was formed in 1987 to bring together birdwatchers, whatever their experience, who are interested in the birds of Bradford and the surrounding area.

The aims of the Group include promoting the welfare and study of birds in the area and the conservation of habitats of value to birds. The Group has established one reserve at Riddlesden near Keighley and has also arranged access to a Yorkshire Water site.

Our Group Meetings are held monthly, usually at the first Tuesday (7.30pm), at Bradford & Bingley Sports Club, Wagon Lane, Bingley, BD16 1LT. We normally have a guest speaker. Meetings also include reports of recent local bird sightings as well as the opportunity to socialise with other local birders. Any non-member or guest is also welcome but they will be charged a small fee when there is a guest speaker.

Annual membership of the Group is £12 for individuals or £20 for a family membership. Members will receive the twice yearly newsletter *Lapwing* and a copy of the Annual Report of the birds seen in our area in the previous year. Subscriptions are due on the 1st May. (Applications received during January to April will include membership for all of the following year).

For further information, please look at our website www.bradfordbirding.org.

Please return this form to the Membership Secretary: -
Chris King, 7 Elder Bank, Queensbury, Bradford, BD13 2BT.
